The Story:
Integrity Toys, in collaboration with HASBRO, is proud to present "POPPY PARKER LOVES MYSTERY DATE", a series of two-doll gift sets with a twist, inspired by the artwork and visuals of the classic board game from the 1960s, MYSTERY DATE!
Join fashionable 1960s teen fashion model Poppy Parker as she gets ready for her date, then see who's knocking at the door... Is it her "Beach Date" all set to look absolutely handsome under the sun or is it "The Stud", her other ruggedly handsome friend? Only one way to find out... open the door!
With each set in this series, while the Poppy Parker doll shown is always guaranteed, you have one chance in 16 of finding "The Stud" instead of the "Beach Date" behind the door!
