The Story:
Integrity Toys, in collaboration with HASBRO, is proud to present "POPPY PARKER LOVES MYSTERY DATE", a series of two-doll gift sets with a twist, inspired by the artwork and visuals of the classic board game from the 1960s, MYSTERY DATE!
Help adorable 1960s teen fashion model Poppy Parker get ready for her date, then see who's knocking at the door... Is it her "Bowling Date" dressed just right to take our sweet friend to the bowling alley, or is it "The Stud", her other ruggedly handsome friend? Only one way to find out... open the door!
With each set in this series, while the Poppy Parker doll shown is always guaranteed, you have one chance in 16 of finding "The Stud" instead of the "Bowling Date" behind the door!
