The Story:
Integrity Toys, in collaboration with HASBRO, is proud to present "POPPY PARKER LOVES MYSTERY DATE", a series of two-doll gift sets with a twist, inspired by the artwork and visuals of the classic board game from the 1960s, MYSTERY DATE!
Help glamorous 1960s teen fashion model Poppy Parker get ready for her date, then see who's knocking at the door... Is it her "Formal Dance Date" dressed to the nines in his perfectly proper dinner jacket, ready to take our star to a formal dance, or is it "The Stud", her other ruggedly handsome friend? Only one way to find out... open the door!
With each set in this series, while the Poppy Parker doll shown is always guaranteed, you have one chance in 16 of finding "The Stud" instead of the "Formal Dance Date" behind the door!
